

## **Greenland and Wild Labrador: A Torngat Mountains Adventure (15 days)**

Explore West Greenland and its capital of Nuuk where you will find great art, shopping, and cafes. Enjoy the Greenland National Museum featuring the famous Qilakitsoq mummies, participate in onboard learning through workshops and presentations and look for whales, seabirds, and other marine wildlife as you make your way through the Davis Strait. Journey around the Torngat Mountains National Park in Newfoundland - where the Inuit of Nunatsiavut will be your guides on their native land.

Stop on the island of Hebron, a haunting site that preserves an abandoned mission that forced the relocation of the Inuit who previously lived in the area. Cruise to Nain, the capital of Nunatsiavut, the most northerly community in Labrador where you will visit Illusuak and the Moravian Church. Then coast along the edges of Labrador viewing coastal barrens, high subarctic tundra, high boreal forest, mid-boreal forest, and string bog, as well as islands that you can step out on should the conditions of the day be favorable. From there you will travel to Newfoundland where you will step into the only authenticated Norse settlement in North America - L' Anse Aux Meadows - and then continue our journey along the coast of Newfoundland where you will finish your cruise in St. John' s.

## **Itinerary**

**DAY 1: Kangerlussuaq, Greenland**  
**Cross the Arctic Circle**

Begin your journey by sailing out of Kangerlussuaq Fjord (Søndre Strømfjord), a 190-kilometre-long fjord surrounded by mountains and glaciers. Cross the Arctic Circle on your way and spend time on deck watching for aurora borealis. Kangerlussuaq, the settlement at the head of the fjord, is a former US Air Force base. After your charter flight from Toronto, ON, you'll transfer to the ship by Zodiac.

**DAY 2: Kangerlussuatsiaq Fjord (Evighedsfjorden)**  
**Take a Zodiac Cruise at the Foot of a Glacier**

Kangerlussuatsiaq means "the rather big fjord" in Greenlandic, while the Danish name Evighedsfjorden translates to "the fjord of eternity," underscoring its vastness and seemingly never-ending nature. See why Kangerlussuatsiaq Fjord lives up to its name and marvel at this complex coastal waterway that includes calving glaciers, sheer bird cliffs, and streams cascading against a towering mountain backdrop. Explore this sublime glacial landscape by ship and by Zodiac. The waters here are relatively warm, due to the West Greenland Current and the subarctic location.

**DAY 3: Nuuk Visit Museums, Shops, and Cafés**  
**Stop in at vibrant Nuuk, the capital of Greenland.**

Visit the Greenland National Museum, one of the city's many outstanding features, where the world-famous Qilakitsoq mummies rest. The old harbour includes many buildings dating from Danish colonial days, while contemporary Nuuk is known for art, shopping, pubs, and cafés.

**DAY 4: At Sea —Davis Strait**  
**Learn From Inuit in Their Homeland**

Deepen your understanding of the environment, cultures, and history of the region as we sail across the Davis Strait towards Labrador. Get the privileged opportunity to engage with and learn from Inuit in their homeland.

Enjoy workshops and presentations, watch a documentary, and get out on deck! Try your hand at athletic feats during an interactive cultural performance of Inuit games. Through shared experiences and interactions, develop a deep appreciation for the culture and gain a connection to the stunning landscapes we traverse. Keep your binoculars ready to spot whales and seabirds who follow in our wake.

**DAYS 5-8: Torngat Mountains National Park, NL, Canada**  
**Hike the Mountainous Tundra and Spot Wildlife**

Spend four days exploring an area of treeless, mountainous tundra in Torngat Mountains National Park, where some of Canada's highest peaks east of the Rockies are found. Enjoy your time hiking, visiting archaeological sites, and Zodiac cruising. Here, Inuit of Nunatsiavut will be your guides in their spiritual homeland. Inuit of Nunavik and Nunatsiavut play a key role as partners in the management of Torngat Mountains National Park.

Many see the park as a portal for better understanding of Inuit culture. The word Torngat is derived from the Inuttut word tongait, meaning "place of spirits," where Inuit shamans travelled to connect with higher powers. It is not hard, even for a visitor, to feel the power of the place. Also be on the lookout for marine mammals, polar and black bears, caribou, falcons, and eagles.

**DAY 9: Hebron**  
**Ponder Poignant History**

Step back in time to the historical site of Hebron, which preserves a Moravian Mission station dating from the 1830s.

Call in at the old church, which is where Inuit who resided here in 1959 learned they would be forced to relocate. Take a moment to read the plaque that commemorates this history and the apology to people affected by the relocations, issued by the government of Newfoundland and Labrador in 2005. Listen to the stories shared by our guides and meet former Hebron residents and their kin who

continue to visit the site and to hunt and fish nearby.

**DAY 10: Nain**  
**Experience Inuit Culture**

Visit Nain, the most northerly community in Labrador and the administrative capital of Nunatsiavut. Stop in at the historic Moravian church, enjoy the brass band, and visit Illusuak, the stunning cultural centre. Expect a warm welcome and the opportunity to peruse arts and handicrafts at this dynamic visit. This will be your first chance to see trees since the start of your journey!

**DAYS 11-12: The Labrador Coast**  
**Enjoy Hiking and Zodiac Cruises**

Explore the southern Labrador coast, where you'll find a diverse geography of coastal barrens, high subarctic tundra, high boreal forest, mid-boreal forest, string bog, and islands. We'll make the most of every opportunity to hike and Zodiac cruise alongside our expedition team. With their expert guidance, every step of your journey will be filled with insightful interpretation, allowing you to truly appreciate the beauty and significance of the landscapes you encounter. Choose the activity you prefer during expedition landings in this beautiful and quiet region.

**DAY 13: L'Anse aux Meadows**  
**Immerse Yourself in Viking Archaeology**

Wander through the reconstructed Viking habitation at L'Anse aux Meadows, a UNESCO World Heritage Site and the only authenticated Norse settlement in North America. Learn more about the archaeological remains that date to approximately 1000 CE, and how—amazingly—the site was first found here in 1960 by a close reading of the Viking sagas. Be sure to visit the superb interpretation centre and meet the actors in period costumes as you make your way through the reconstructed Norse-style sod buildings. This is a must-see for any visitor to Newfoundland and Labrador!

**DAY 14: Terra Nova National Park**  
**Marvel at Breathtaking Vistas in Terra Nova National Park**

Explore the wonders of Canada's most easterly national park, where the land meets the sea in a stunning display of natural beauty. Make your way to the park's visitor centre and dive into the mysteries of the ocean through touch tanks, marine exhibits, and aquariums. Located along the Newman Sound portion of the Terra Nova Migratory Bird Sanctuary, the visitor centre offers the perfect vantage point to spot fascinating shorebirds in their natural habitat. Take a stroll along one of the park's scenic trails accompanied by our expert expedition team who will offer interpretations of the surroundings. Marvel at the vibrant colours and intricate details of this extraordinary destination, where nature's power and beauty come together in perfect harmony.

**DAY 15: St. John's, NL, Canada**  
**Wave a Fond Farewell**

Welcome to St. John's—the vibrant capital of Newfoundland and Labrador. Complete your journey by sailing into historic St. John's harbour, looking out for Signal Hill as you enter the world-famous Narrows. Photograph the charming houses of the Battery, always a hit with shutterbugs. Say your farewells in this cultural hotspot and what is sometimes called North America's oldest city.
