

Wolfville Theatre Day Trip (1 day)

Stage Prophets Theatrical Society has been dedicated to presenting professional-level live theatre in the Annapolis Valley for over 16 years. Their 2023 show is one that has been wowing audiences for over 40 years, Andrew Lloyd Webber and Time Rice's *Jesus Christ Superstar*. We will provide a Motorcoach and knowledgeable Guide to transport theatre-loving Haligonians to the Valley for a day tour before the matinee performance of the show.

A timeless work, the rock opera is loosely based on the Gospels of Matthew, Mark, Luke and John, and follows the last week of Jesus Christ's life. The story, told entirely through song, explores the personal relationships and struggles between Jesus, Judas, Mary Magdalene, his disciples, his followers and the Roman Empire. There will be free time in Wolfville before the show so you can stroll the streets, browse the shops, or enjoy a bite to eat.
