CREDIT CARDS

Should you or an authorized person disclose your credit card number and expiry date for the purpose of making a reservation, you are indicating your compliance with our booking Terms & Conditions, and therefore agree to pay the amount debited to your card, regardless of whether an authorized signature has been obtained or not. Verbal authorization of your credit card confirms your reservation.

Payments made by credit card must be processed in the Canadian equivalent and are subject to currency fluctuations. The payment which will appear on your credit card statement may be slightly higher or lower than our published brochure price. In order to avoid this, your credit card number may be given as a guarantee to hold the reservation until such time that your personal cheque is received and cleared.

TRAVEL PROTECTION

Atlantic Tours strongly recommends the purchase of trip cancellation/interruption insurance and emergency medical coverage while traveling. Insurance should be purchased with your initial payment and covers "unforeseen" medical reasons either to you, your traveling companion or your immediate family. Insurance is non-refundable. We will be pleased to provide you a rate for insurance for your specific tour upon request; however, please note that by joining one of our tours without sufficient emergency medical coverage, you agree not to hold Atlantic Tours Limited responsible for any costs incurred should an emergency medical situation arise. Further, should you opt not to purchase cancellation/interruption insurance and it becomes necessary for you to cancel your trip, the above cancellation terms are stringent and we will not make exceptions to them.

TAX RATES

GST/HST is charged on all tours and products taking place within Atlantic Canada. The rates are a blended rate and vary from 14.3% - 15% tax.

REVISION FEES

you would like to change any details of your booking after it has been confirmed, we will do our best to accommodate. Changes to a booking are subject to a \$50 administration fee, per change. Changes to a tour involving rail or air are subject to higher change fees and may not be permissible once confirmed. Changes to the date of the tour or changing to a different tour are subject to full applicable cancellation charges.

DOCUMENTS

Documents are generally forwarded to clients by e-mail unless it is requested that they be sent by regular mail. Bookings made within three weeks prior to travel date may require courier service to obtain necessary documents for travel should we not be able to email them to you. In these instances, a courier fee will apply to be determined by location. Payment for courier costs are required with final payment.
